### Course Challenge Series:

Adjustments to the CC.

Do to the large number of other events being ran should the club fun fewer events. Let's make the Harbin CC a true C-Tier as a Kick-Off Classic @ Harbin. Do some temp course events to make them special. Only play one round instead of two. The club may order a few more baskets to help with the temp courses. Keep Lincoln at the end, it seems to draw a bunch.

May 10<sup>th</sup> looks like the date for the Dayton / Cincy Monroe event.

Hamilton County: East Side Survey to fill out. Need people to fill it out. There is a park that they are talking about it looks like it would be a great place for a course. Space below Woodland Mound, Steamboat Bend could also work as a course.

### **Old Business:**

#### **AM Worlds:**

We did not win the worlds for 2021.

The bid was submitted. We are in the final evaluation. Scheduled to announce December 15. Larry was here to talk about what the parks can do to help with the tournament. What items will the park be responsible to help with.

#### **501c3:**

During the December meeting we hope to submit the last form.

### **New Business:**

Concrete cattle pads, pre-cast 4x10 meant for barn floors, could be cheaper than poured. Could be an idea for Williamsburg. Cold durability. Good traction.

Closest place is about 3hrs. \$300 delivery \$120 each new or chipped ones for \$90. 4x10 size.

Need to use the money from the Crosstown Showdown over at Lincoln Ridge.

Big discussion about the future of the club.

If bid for world's goes in, would like to get a number of sign boards for a number of the parks.

Need to put the word out for people for officer nominations.

All current officers were nominated for the same position and elected.
